

Quality Analyst (w/m)

for our site in Cornu, Prahova County

With a planned turnover of around EUR 760 million in the current financial year, the Aenova Group is one of the leading companies in the global pharmaceutical and healthcare industry.

The group's portfolio of services covers the entire value chain for the development and production of all the main dosage forms and product groups in the field of medicines and dietary supplements. The Aenova Group's high standards of quality, innovative technologies and clear vision for the future have enabled it to become European market leader in the business-to-business field. The company, which has its headquarters near Munich, operates 27 sites in eleven countries throughout the world. More than 4400 employees contribute to the group's success.

Key responsibilities

- Performs physical-chemical tests for raw materials and finish product using the following: HPLC/UHPLC, TLC, UV-VIS, GC, TLC, NIR, FTIR and records the results in SAP;
- Responsible for verifying testing methods to ensure that all tests are performed in accordance with the current edition of internal methods or compendial methods;
- Participates actively in method validations and verifications, as well as process validations that take place within the Company;
- In case of new methods of analysis, is responsible for establishing the necessary reagents and consumables;
- Active participation in the transfer of analytical methods for new products transferred to the site.

Position requirements

- University degree (chemistry, physical-chemistry, biochemistry, food chemistry, pharmacy);
- Experience on laboratory job at least 1 year (will be an advantage the work experience with instrumental analytical chemistry: spectral, liquids chromatography, Karl Fisher techniques);
- Good knowledge on GLP practice;
- Good knowledge on written, understanding and spoken English language (German language will be an advantage);
- Good computers skills (Excel, Word, SAP knowledge will be on advantage);
- Abilities: good communication skills, team spirit, proactive attitude, attention of details, well organized

We offer a growth-oriented, dynamic and international environment, which offers challenging tasks across the sites as well as active participation opportunities. If these tasks in a future-proof corporate group attract you, then we would like to get in touch with you.
