

PRESS RELEASE

CMO Leadership Awards: Aenova wins prizes in 3 categories

- **Renowned Life Science Leader's CMO Leadership Award recognized the leading contract manufacturing organizations**
- **Aenova honoured with awards in the categories Capabilities, Quality and Reliability in Big and Small Pharma**

Starnberg, 30 April 2020. The Aenova Group, one of the world's leading corporations in the pharmaceutical and healthcare industry, has been awarded in the renowned Life Science Leader's CMO Leadership Awards in three categories.

Selecting the right contract manufacturing partner is not easy. The vetting process is complex and consumes resources. The Life Sciences Leader's CMO Leadership Awards is intended to facilitate selection and based on market research by the well-known Industry Standard Research (ISR) with sponsor ratings of CMOs on recent outsourced projects. For the 2020 CMO Leadership Awards, more than 125 CMOs were evaluated on 23 performance metrics.

Life Science Leader has awarded Aenova with CMO Leadership Awards in the core metrics of (1) Capabilities, (2) Quality and (3) Reliability, overall (combined Big and Small Pharma). Aenova was also recognized with Individual Attribute Awards in the categories of Reputation and Right First Time (RFT).

The main criteria of category "Capabilities" include for example: all facilities with most-update manufacturing technologies and the company offers innovative solutions. For "Quality", the following are examples: RFT measurements, strong regulatory track records, upfront contingency planning, risk management. And for "Reliability" should be mentioned the reliable capacity on demand and on-time delivery.

These are just some of the qualities that have made Aenova a leading pharmaceutical CDMO and the number #1 choice in Europe. The focus of Aenova is always on highest quality, operational excellence, time-to-market requirements and the consciousness, that the

products manufactured affect and improve the health and well-being of millions of patients around the world.

The group's portfolio of services covers the entire value chain for the development and production of all the main dosage forms and product groups in the field of medicines and dietary supplements. With its longterm experience Aenova is the partner of choice for contract development and manufacturing needs.

Aenova Group

The Aenova Group is one of the leading companies in the pharmaceutical and healthcare industry. With high quality standards, innovative technologies and a clear future orientation, Aenova has become Europe's market leader for the development and production of all common dosage forms and product groups in the business-to-business sector. The company which has its headquarters near Munich (Germany), operates 16 production sites and several sales offices in ten countries throughout the world. More than 4.300 employees contribute to the group's success.
